

Drömmen Om Elin

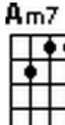

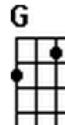

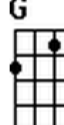

(Drömmen om Elin hette egentligen "Borgholmsvalsen" och spelades av Calle Jularbo)

G  Vad jag drömt om dej, lilla Elin, mjuk som sommarns vind **D7** 

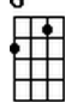

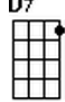

Am  Söt som **D7**  sockerstrut med brun och fjunig kind **G** 

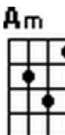

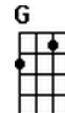

Under alla år har jag burit **G7**  med mej **C**  drömmen

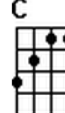

dröm- **C#dim**  men om **G**  Elin **E7** 

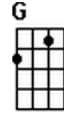

Am7  leende **D7**  under en blommande **G**  lind **D7**  **G** 

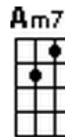

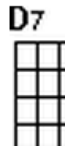

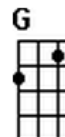

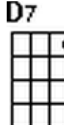

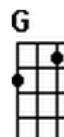

Vers 2

G  Vad min dröm är skön där är du så ung och varm och ljus **D7** 

Am  Solen i ditt **D7**  hår, ett avsked vid ditt **G**  hus

I min ensamhet vänder jag **G7**  tillbaks till **C**  drömmen

C  dröm- **C#dim**  men om **G**  Elin, **E7** 

Am7  barbent i **D7**  tunn sommar **G**  blus **D7**  **G** 

Vers 3

 Elin, i min dröm går ditt skratt mot skyn som en ballong 

 Du far i min  famn och vinden drar en sång 

Det blev aldrig vi, men jag  drömmer ändå  drömmen

 dröm-  men om  Elin 

 och om en  sommar en  gång
